In response to the restriction requirement Applicants REMARKS elect to prosecute the claims associated with group I. that end, Applicant has cancelled all the pending claims and introduced a new set of claims to more clearly define A. Fig. 4 has been amended to show top frame 110, as the Present invention. described in the specification at page 16, and 11, and described in the specification at page 16, and 11, and and 11 fig. described in the specification at page 17, line 1. Fig. 6 has been amended to show rigid body 210, as described in the specification at page 18, line 24. Also, B. described in the specification at paye 10, as described in frame 206, as described in fig.6 has been amended to show a second to show the second t Fig. 11 has been amended to show wall shape 464; as described in the specification at page 24, line 5. Also the specification at page 18, line 26. fig. 11 has been amended to show smooth curved cross section 466, as described in the specification at page 24, Applicants have included a separate letter to the requesting that the changes be entered. Chief Draftsperson showing the changes in red and been introduced by way of these amendments as the same Based upon these amendments, Applicants applicants. merely harmonizes the drawings with the written line 5.

respectfully contend that the patent application comports with the practices and procedures of the United States
Patent and Trademark Office.

C. Amendments to the Specification

To have a more definite and clearly defined invention, Applicants have amended the written specification. Applicants have also included a substitute specification incorporating the aforementioned amendments. No new matter has been introduced by the amendments.

D. Amendments to the Claims

Applicants have cancelled all pending claims and introduced a new set of claims to clearly define the invention. In addition none of the Amendments made to the claims were necessitated to overcome the prior art.

Applicant respectfully requests examination of the amended claims. A notice of allowance is earnestly solicited.
